# ENFORCERS

## FOOTBALL

2023 SEASON XVIII

# **IN MEMORIAM**

## **DAVE BLAKE**

**Always with us on the field and in our hearts**

The Enforcers Football Team consists of law enforcement personnel who are predominately Chicago Police Officers. Under the unity of The National Public Safety Football League, the NPSFL has a number of public safety football teams located throughout the United States. Since the team's existence, the Enforcers is a 501(c)3 Charity Organization that don't play for money, but for the love of the game and the desire to help raise money for various charities in the communities that they serve.

The Enforcers are excited to be entering their 18th year after starting in Winter of 2006 and have donated time and resources, along with donated over \$250,000 to various charities across the Chicagoland area. Although, the team has held annual toy drives with the proceeds going to families that fall victim to domestic violence, the team has taken "giving back to the community" to a whole new level. The Enforcers have volunteered to help coach inner-city kids at a football camp, contributed monetary donations for several student-athletes to attend a Chicago Park District Summer Camp, just to name a few. The Enforcers look forward to doing many more of these amazing contributions for years to come.
